## / OBJECTIVE

Seeking employment as a web designer and front-end developer. Looking for a great team that fosters innovation, continued education, and a laid back community oriented lifestyle.

## / EXPERIENCE

### GRAPHIC/WEB DESIGNER & FRONT-END DEVELOPER

*GoCognitive / September, 2011 – Present*

[www.gocognitive.net](http://www.gocognitive.net)

Responsible for the re-design and development of the GoCognitive website. Work for this position includes, but is not limited to: wire-framing, web-page design, front-end development, Drupal CMS integration, mobile optimization, application development, and user analytics testing.

### GRAPHIC/WEB DESIGNER & FRONT-END DEVELOPER

*Let it Shine Media LLC. (INTERN) / June, 2011 – Present*

[www.letitshinemediacom](http://www.letitshinemediacom)

Responsible for design/development of websites and the design/implementation of various marketing/public relations collateral. The goal for this internship is to re-design and develop the website and visual brand identity for Great Shape! Inc, which hosts the World's largest humanitarian dental project in Jamaica. Currently researching nonprofit branding, organizational structure, and usage of interactive technology mediums as a part of a BFA thesis project

### WEB COORDINATOR ASSISTANT

*University of Idaho / February, 2010 – September 2011*

[www.uidaho.edu](http://www.uidaho.edu)

Responsible for managing various projects for stakeholders such as the University's Directory of Academic Advising, the Dean of students, the Vice Provost of Academic Affairs, and the University President. Main areas of website management included the Student Affairs and Academic Affairs Departments. Coordinated and executed website building within Sitecore Content Management System.

### FREELANCE DESIGN & FRONT-END DEVELOPMENT

*Small Businesses and Nonprofits / August 2007 – Present*

[www.austinknight.net](http://www.austinknight.net)

Working with various clients, both local and remotely, to produce branding, collateral, and digital materials. Projects range from one-off template designs, to full service branding and website design/development.
